🏛️ HUKUMAT-E-KHYBER PAKHTUNKHWA — DHQ HOSPITAL KOHAT

MedLedger

Hospital Pharmacy Management System & KP Sehat Card Sahulat Program

Mukammal User Manual & Feature Guide (Roman Urdu Mein)

🚀 100% FEFO Tareeqa

Jo dawai pehle expire hone wali ho, system usay pehle dispense karwata hai taake hospital ka koi stock zaya na ho.

🪪 Sehat Card Sahulat

Mareez ke CNIC se foran eligibility check karein, muft dawai ka record rakhein, aur government claim file karein.

⚡ Offline Kaam & Auto-Sync

Agar internet chala bhi jaye to OPD counter chalta rahe ga. Net wapis aane par tamam data khud-bakhud sync hojata hai.

📘 Is Manual Ke Baray Mein:

Ye official guide DHQ Hospital Kohat ke pharmacy managers, staff pharmacists, claims verification officers, aur hospital administration ke liye banayi gayi hai. Is document mein website ke har page ka live screenshot shamil hai taake asani se samajh aye ke **konsa feature kahan hai aur usay kaisay use karna hai**.

👥 MedLedger Mein Staff Ke Roles Aur Unka Kaam:

Hospital ke mukhtalif staff ke mutabiq system mein mukhtalif permissions hain:

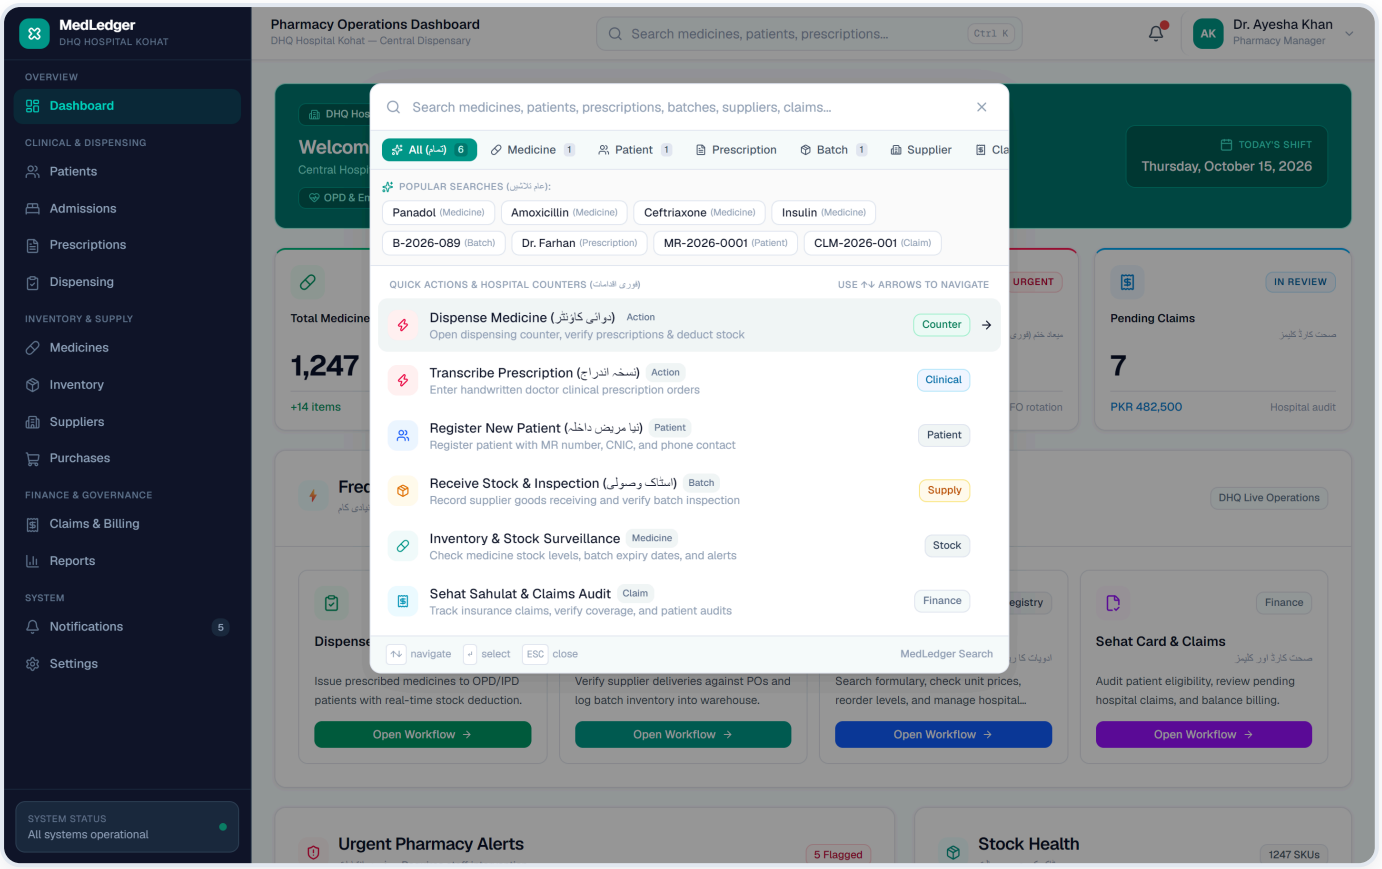

- **Staff Pharmacist (Dr. Ayesha Khan)**: Counter par mareezon ko dawai dena, doctor ka nuskha verify karna, patient lookup aur stock check karna.
- **Pharmacy Manager**: Suppliers se maal khareedna (PO approve karna), warehouse mein stock dakhil karna, aur rozana ka audit karna.
- **Claims Verification Officer**: Mareez ka Sehat Card check karna, insurance claims bhej kar hukumat se payment clear karwana.
- **Chief Medical Officer (CMO)**: Poore hospital ka stock audit, budget aur reports ka jaiza lena.

1. Main Header & Fast Search (Ctrl + K)

BUNYADI INTERFACE

Search Aur Operation Bar Kahan Hai Aur Kaise Use Karein

Header screen ke bilkul oopar rehta hai aur kisi bhi page par jayein wahan se gayab nahi hota.

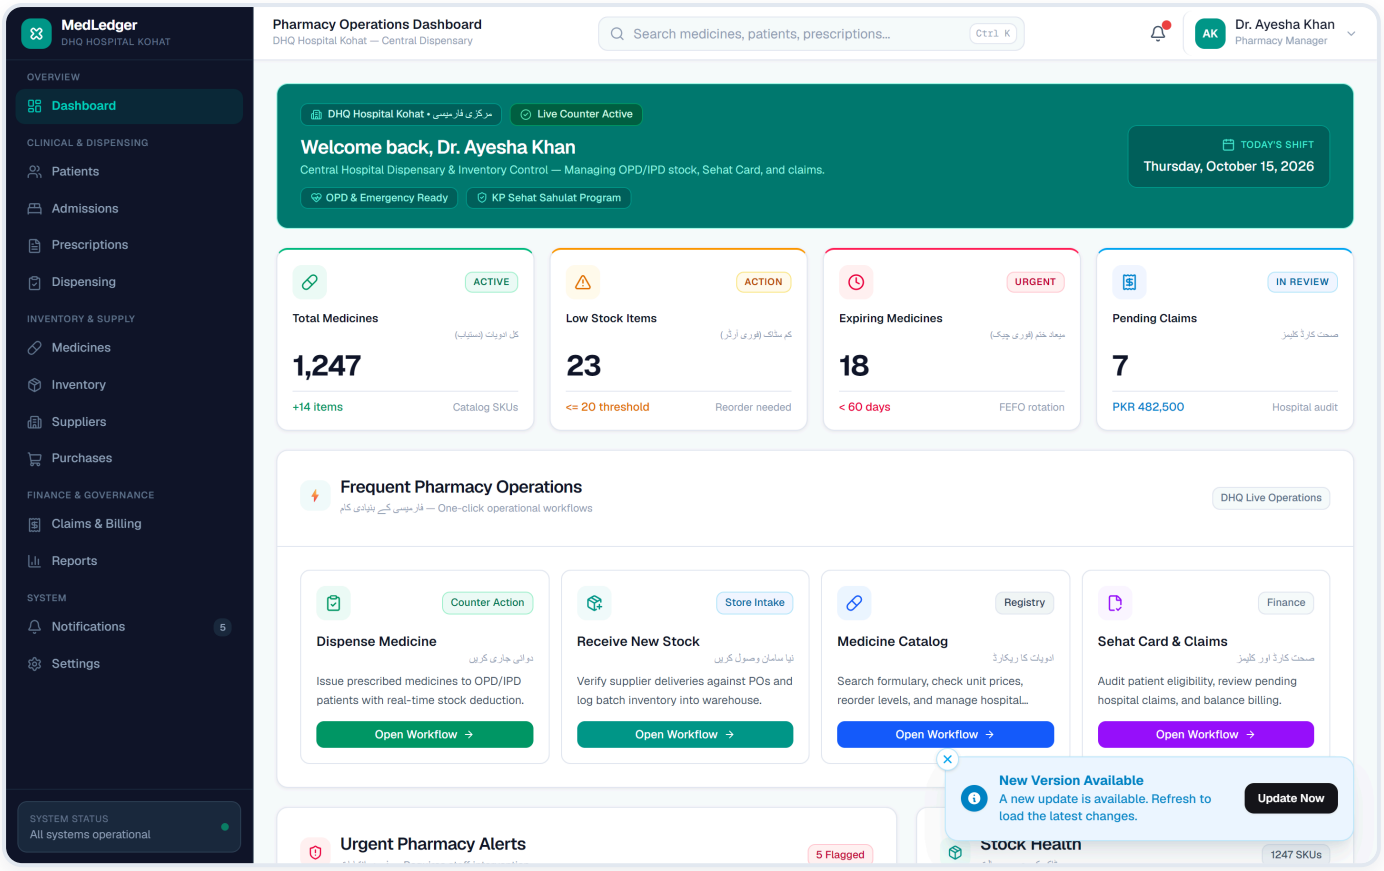

Feature Ka Naam	Screen Par Kahan Hai?	Istemal Karne Ka Tareeqa (How to Use)
Fast Search (Ctrl + K)	Header ke darmiyan mein search box	Keyboard se `Ctrl + K` dabayein ya mouse se click karein. Kisi bhi dawai ka naam, formula ya mareez ka CNIC likhein foran result samne ajaye ga.
Quick Action Shortcuts	Search dialog khulne ke baad	Yahan direct buttons hain jaisay *"Dispense Medicine"*, *"Add Patient"*, ya *"Review Claims"*. Aik click se mutalqa screen khul jaye gi.
Active Hospital Shift	Header ke baayein (left) taraf	Yahan show hota hai ke is waqt konsa dispensary counter aur shift active hai: *DHQ Hospital Kohat — Central Dispensary*.
Role Switcher Menu	Header ke daayein (right) taraf avatar (AK)	Dr. Ayesha Khan ke profile par click karke aap check kar saktay hain ke mukhtalif roles (Manager, Pharmacist, Claims Officer) ko system kaisa nazar ata hai.

2. Naye Updates Ka Notification & PWA Offline Kaam

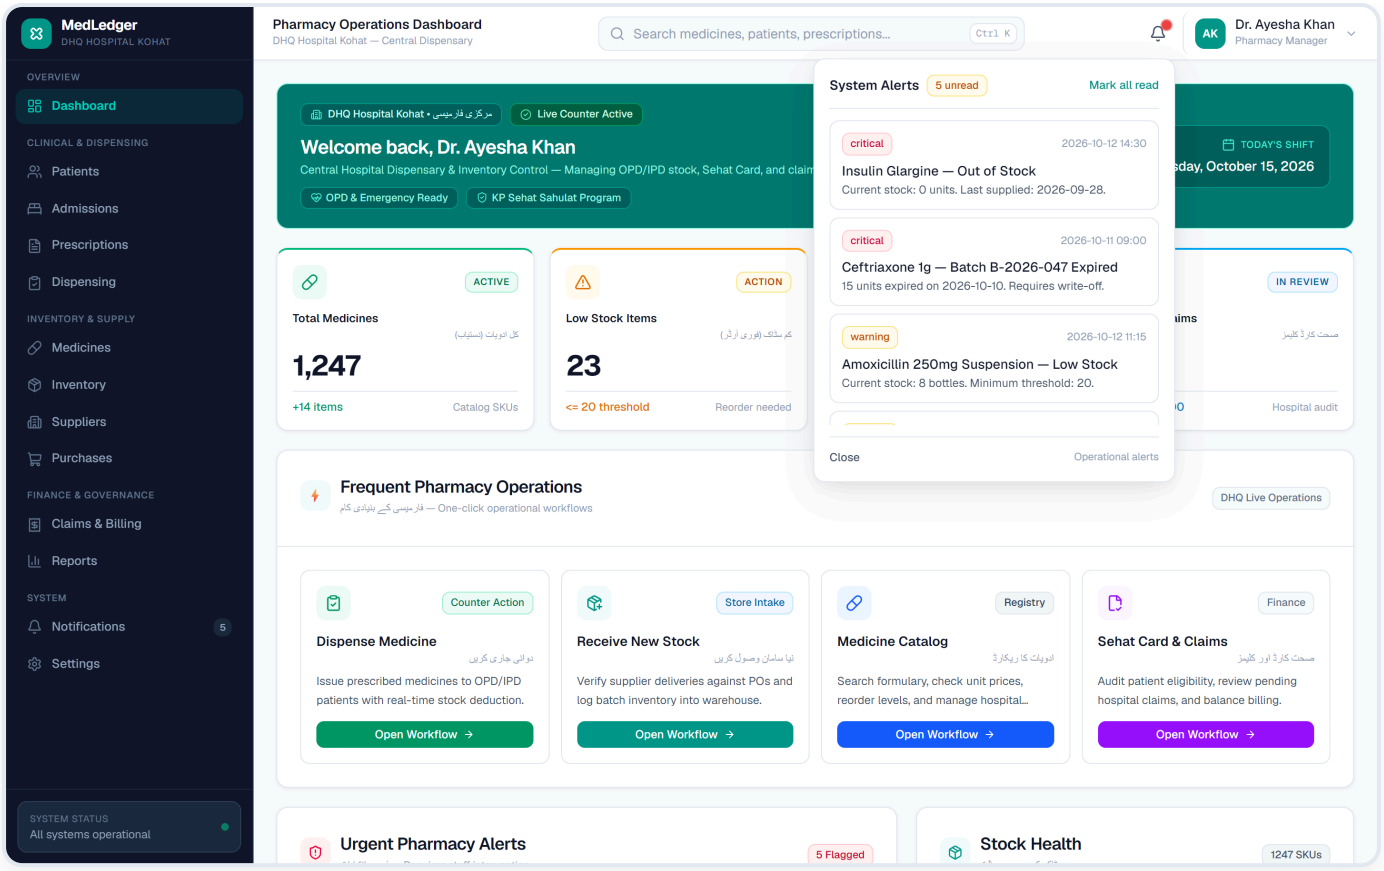

HAMESHA LATEST VERSION

Naya Version Alert ("New Version Available") Aur Bell Notifications

Jab bhi website par koi naya update ya qeemat tabdeel hogi, system screen par foran alert dikhaye ga.

Alert Ka Feature	Kaisa Nazar Aata Hai?	Iska Kya Matlab Hai Aur Kya Karein?
"New Version Available" Alert	Screen ke neeche daayein (bottom-right) taraf sky-blue card	Jab bhi naya code Vercel par push hota hai, background checker har 60 second mein check karta hai aur ye toast dikha deta hai.
"Update Now" Button	Card ke andar black (kala) button	Is button ko click karein! System foran latest service worker activate karke page reload kar dega taake aapko naye features mil sakein.
Close Button (x)	Card ke oopar baayein taraf safaid gola	Agar aap us waqt koi zaroori nuskha likh rahay hain to cross dabakar isay band kar saktay hain aur free hone ke baad refresh kar saktay hain.

🔔 Hospital Alerts Dekhne Ka Tareeqa:

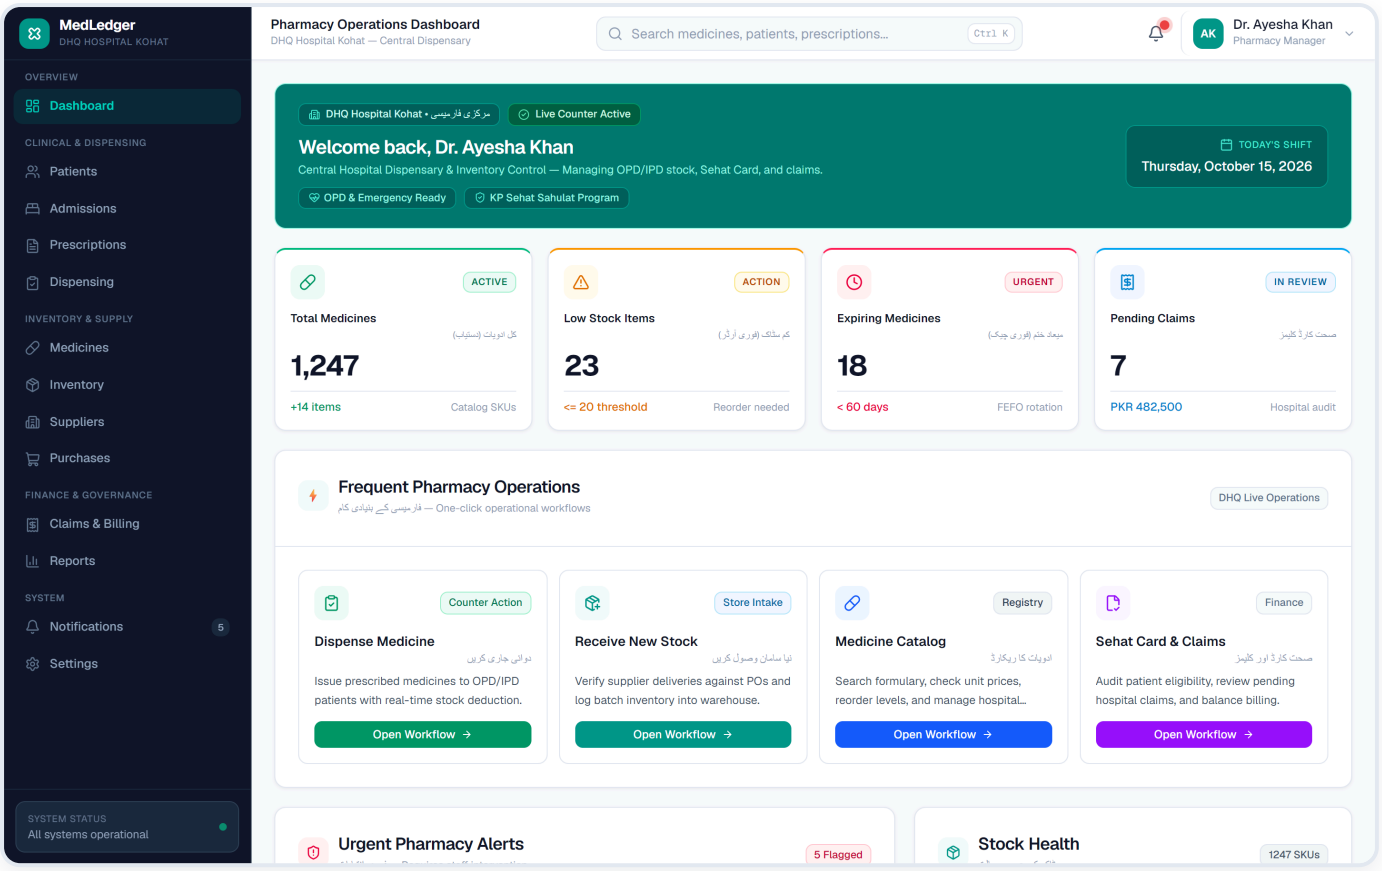

1. Header mein **Bell Icon (Ghanti)** par click karein. Agar koi naya alert hoga to red dot chal raha hoga.
2. Alerts check karein: Maslan *"Augmentin stock low hai"* ya *"Batch EXP-2026 expire hone wala hai"*.
3. Kaam mukammal hone par **"Mark all read"** dabayein taake list saaf hojaye.

3. Pharmacy Operations Dashboard

MARKAZI CONTROL ROOM

Hospital Dispensary Ka Live Jaiza (Overview)

Subha duty shuru hotay hi sab se pehle dashboard check karein taake poore hospital ka haal samne ajaye.

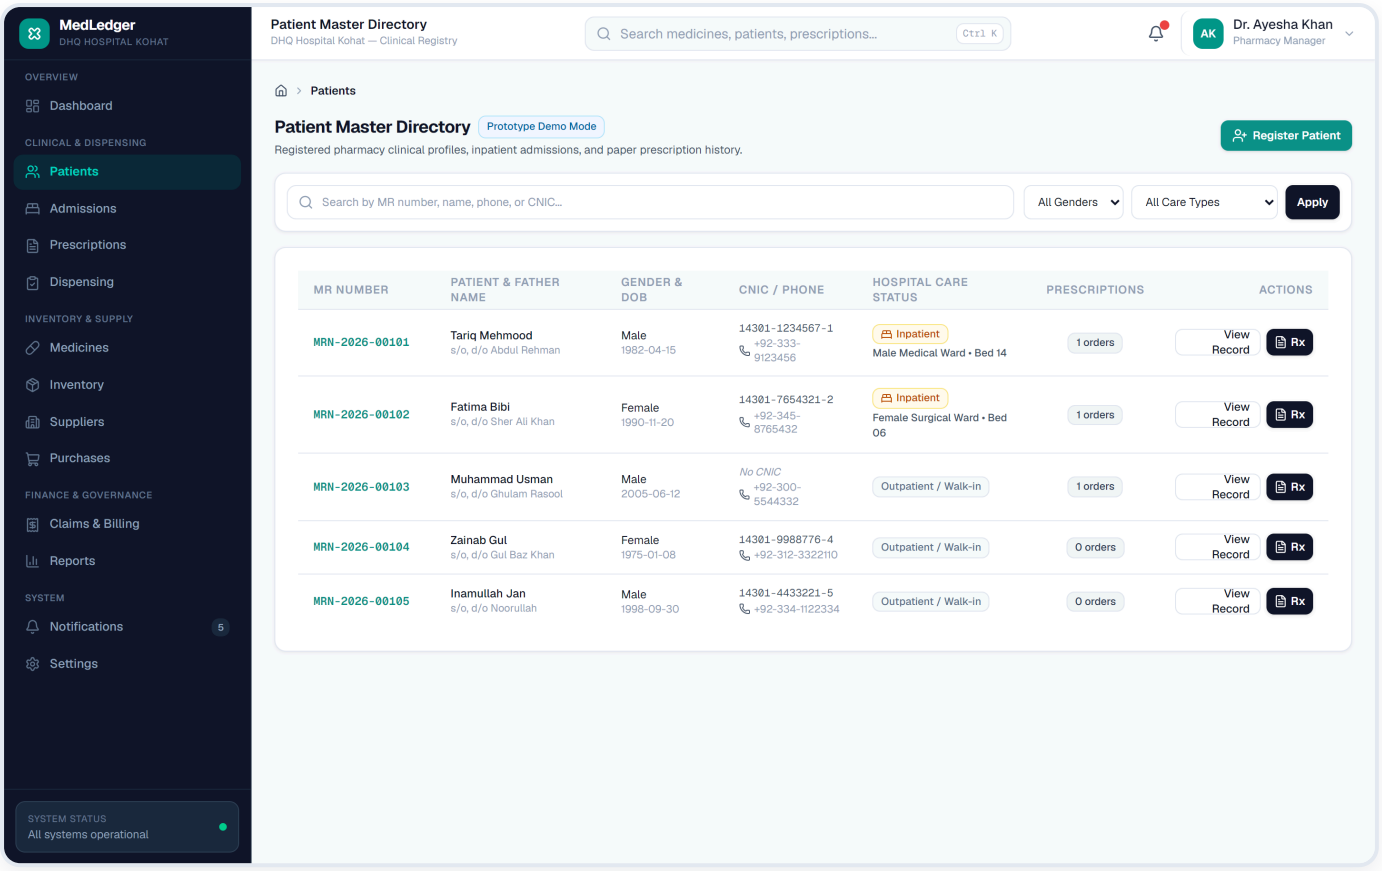

Dashboard Ka Card	Moojooda Tadad	Iska Kya Matlab Hai Aur Kya Action Lena Hai?
Total Medicines	1,247 DAWAIYAN	DHQ Hospital Kohat ki approved formulary mein kul kitni mukhtalif dawaiyan dakhil hain.
Low Stock Items	23 ITEMS KAM HAIN	Aisi dawaiyan jin ka stock khatam hone ke qareeb hai (≤ 20 units). Foran Purchase Order raise karein.
Expiring Medicines	18 BATCHES JALDI	Jo dawaiyan aglay 90 dino mein expire hone wali hain. System khud inhein pehle dispense karne ko kahe ga.
Pending Claims	7 REVIEW MEIN	Sehat Card ke claims jo review ke liye gaye huway hain aur jin ke paise hospital ko aane hain.

4. Mareezon Ka Record (Patients) & CNIC Lookup

CLINICAL RECORD

Mareez Ko Search Karna Aur Sehat Card Check Karna

Yahan har mareez ka shanakhti card (CNIC), phone number aur Sehat Card entitlement moojood hai.

📋 Naye Mareez Ko Check Aur Register Karne Ka Tareeqa:

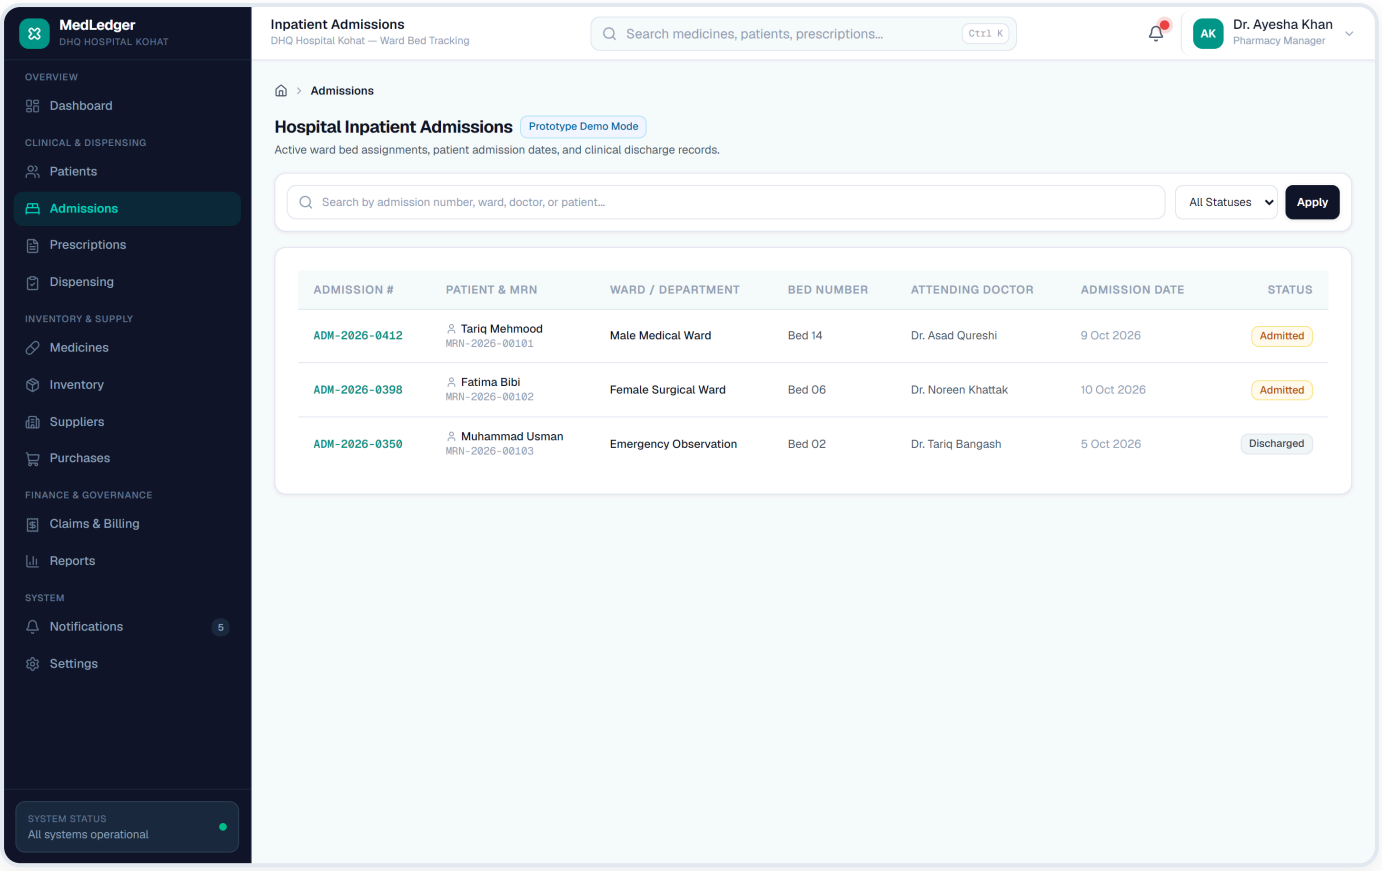

1. Left sidebar se **Patients** par click karein.
2. Search bar mein mareez ka 13-digit **CNIC number** (bina dash ke) ya MRN number likhein.
3. Status badge check karein:
   - VERIFIED : Mareez ka Sehat Card active hai, muft dawai mil sakti hai.
   - PENDING VERIFICATION : Shanakht ki tasdeeq NADRA ya Sehat Card desk se karwayein.
4. Agar mareez pehli baar aya hai to oopar daayein taraf **"+ New Patient"** button daba kar dakhil karein.

5. Dakhil Mareez (Admissions) & Ward Beds

IPD MANAGEMENT

Hospital Wards Aur Bed Allocation Ka Record

Surgical, Medical, Pediatric, aur ICU wards mein dakhil mareezon ki dawaiyon ki supply yahan se track hoti hai.

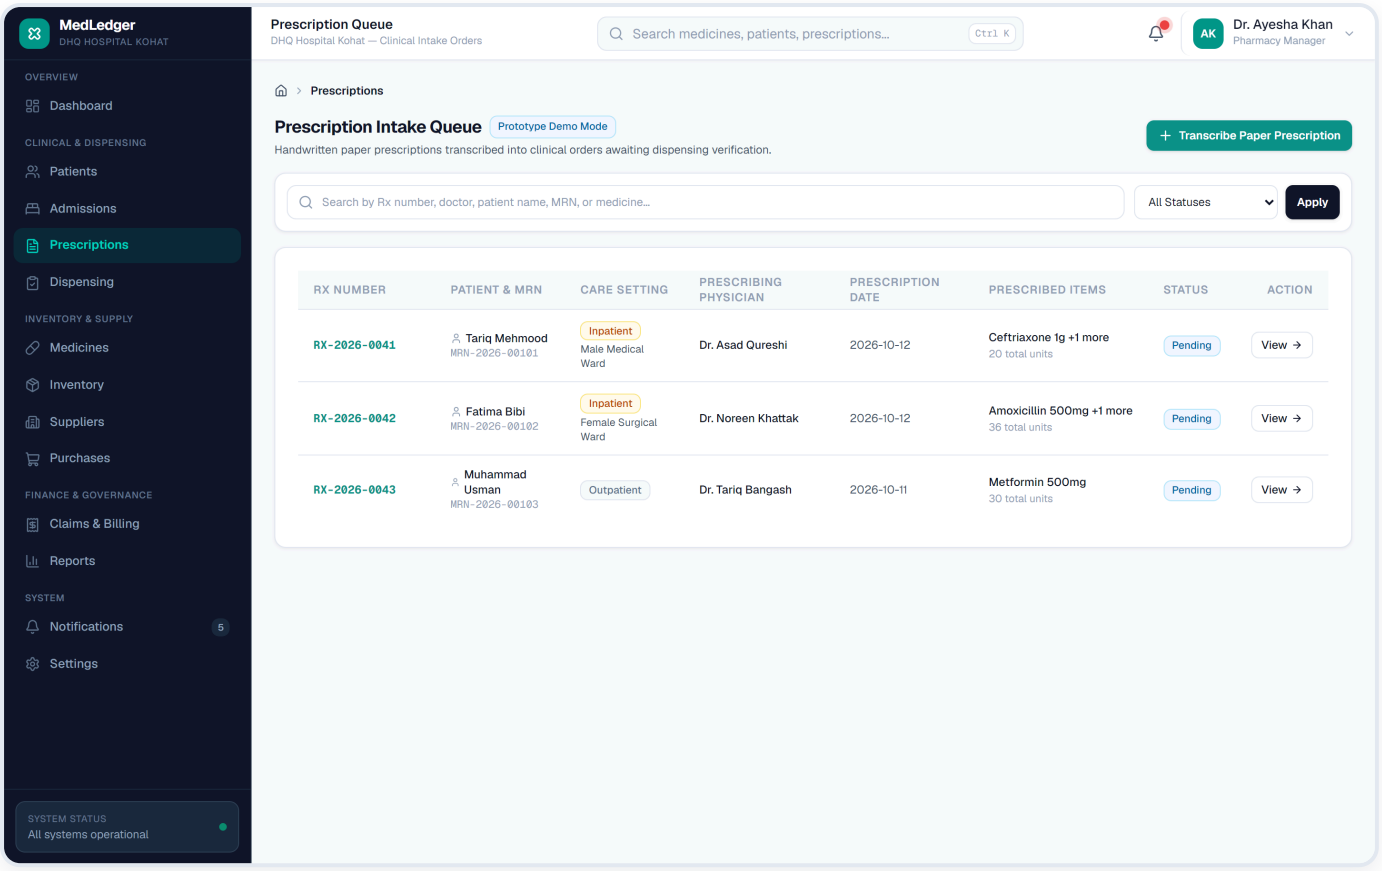

Column	Tafseel	Dispensary Staff Ke Liye Hidayat
Admission ID & Ward	Ward aur Bed number (e.g. Ward 3B, Bed 12)	Dispensary runner ko pata chalta hai ke drip ya injections kis ward aur kis bed par pohnchane hain.
Admitting Doctor	Moalij Doctor / Specialist	Sehat Card par sirf wohi dawai di ja sakti hai jo dakhil karne walay authorized consultant ne likhi ho.
Status Badge	ADMITTED ya DISCHARGED	Jab mareez discharge hota hai to dispensary se clearance certificate verify hota hai.

6. Doctor Ke Nuskhe (Prescriptions Intake)

DIGITAL NUSKHA

Doctor Ke Orders Aur Dosage Schedule Check Karna

Kharab handwriting ki galatiyon se bachne ke liye digital prescriptions ka nizam.

💊 Prescription Ko Check Aur Dispense Karne Ka Tareeqa:

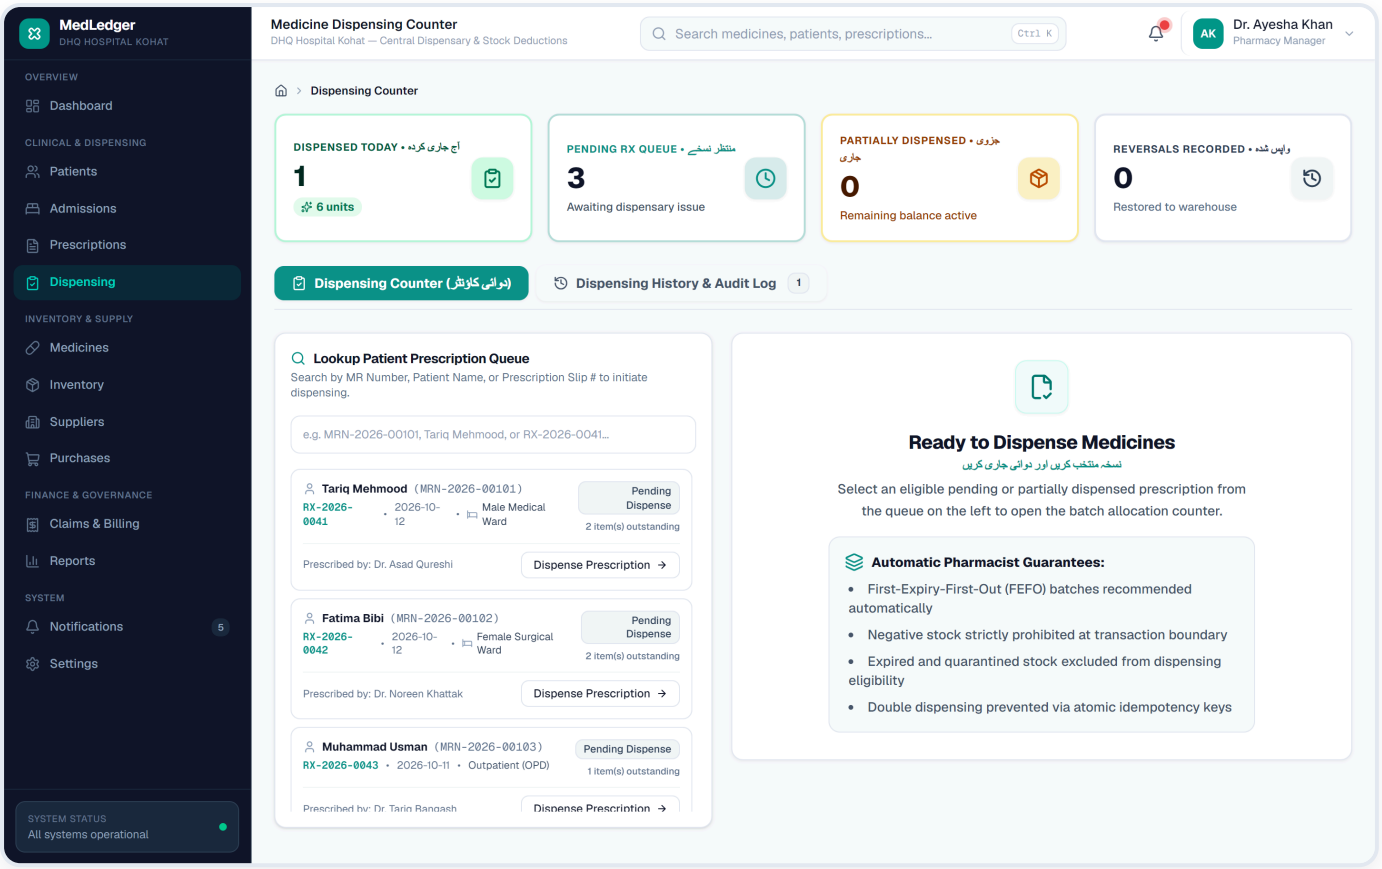

1. Nuskhe ki row par click karein aur dekhein ke konsi dawai kis miqdaar (e.g. *500mg BID - Subha Shaam*) mein likhi hai.
2. ICD-10 bimari ka code check karein taake tasdeeq ho ke ilaaj government guidelines ke ain mutabiq hai.
3. Status check karein:
   - PENDING : Dawai abhi counter se nikaalna baqi hai.
   - DISPENSED : Mareez ko dawai di ja chuki hai.
4. **"Dispense Medicine"** ka button dabayein taake system FEFO ke mutabiq batch utha laye.

7. Dawai Dena (Dispensary & FEFO Fulfillment)

MARKAZI KAAM

First-Expiry-First-Out (FEFO) Auto Allocation

System khud wo batch chunta hai jis ki expiry qareeb ho taake purana stock zaya na ho.

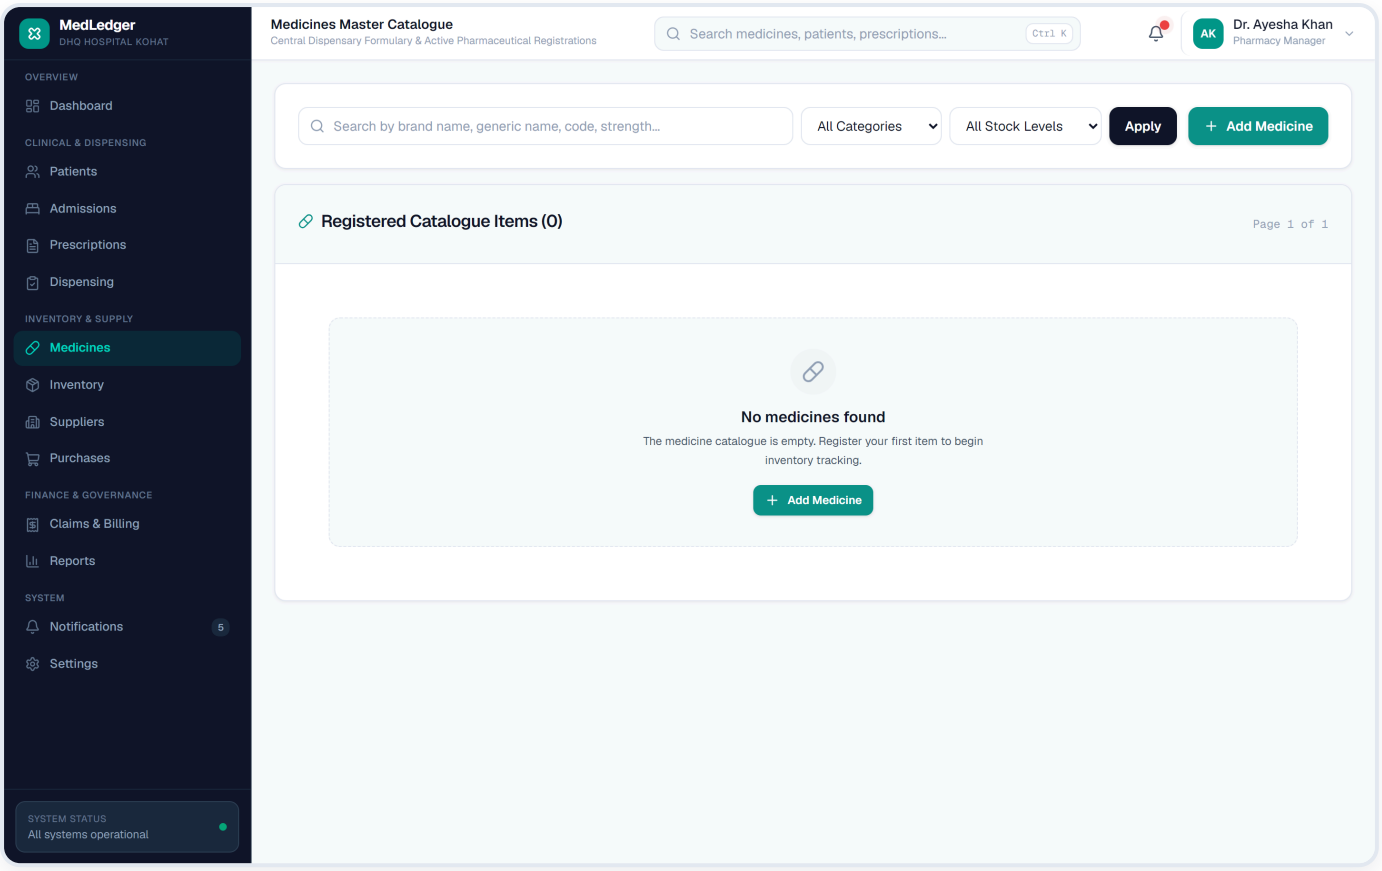

Marhala (Step)	Pharmacist Ka Kaam	System Ki Hifazat (Safety Rule)
1. Nuskha Select Karein	Token ya MRN se prescription load karein	System inventory ko lock karta hai taake aik hi dawai do counters par aik waqt na nikal jaye.
2. Auto Batch Allocation	System khud batch number aur shelf suggest karega	**FEFO Pabandi:** Pharmacist bina kisi thos waja ke doosra naya batch nahi nikaal sakta.
3. Sehat Card vs Cash Hisaab	Covered dawai aur agar koi copay ho to verify karein	Paisa arithmetic (integer paisa) ke zariye hisaab hota hai, 1 paisa ka bhi farq nahi ata.
4. Raseed Print Karein	Urdu aur English thermal slip print karein	Mareez ko Urdu mein khurak lene ka tareeqa raseed par print milta hai.

8. Dawaiyon Ki Master List (Medicines Catalogue)

DAWAI MASTER

Dawai Ka Formula, Brand Aur Sarkari Qeemat

DRAP (Drug Regulatory Authority of Pakistan) ke qawaneen ke ain mutabiq approved catalogue.

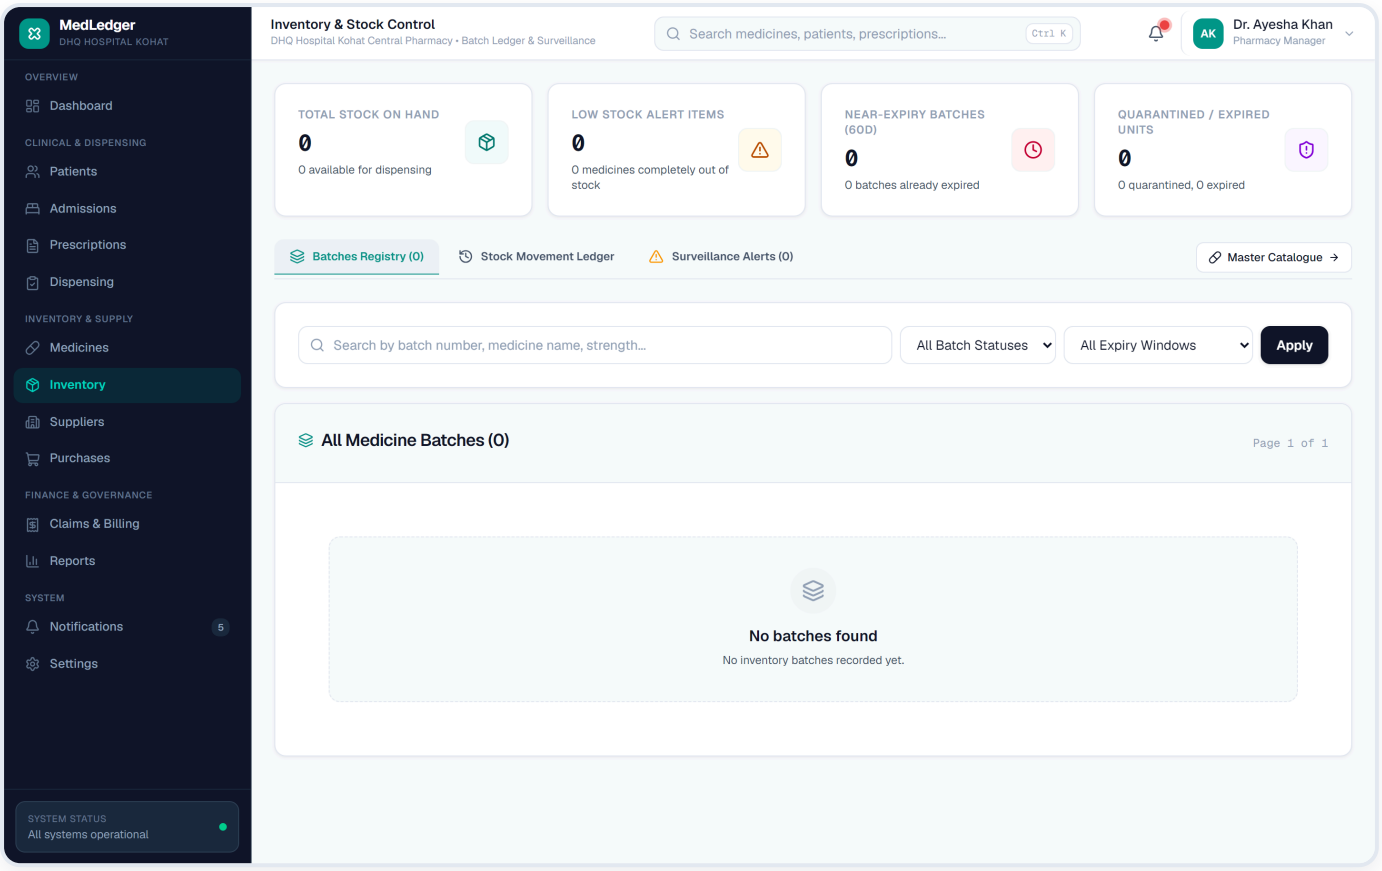

💡 **Catalogue Ka Ahem Usool:** Har dawai ke sath uska Brand Name (jaisay *Augmentin*), Formula/Generic (*Amoxicillin + Clavulanic Acid*), Taqat (*625mg*), aur Packing (*Tablet/Syrup*) darj hota hai. Nayi dawai add karte waqt formula zaroor check karein.

9. Stock & Expiry Control (Inventory Management)

WAREHOUSE STOCK

Batch Number Aur Expiry Date Ka Jaiza

Har batch ka alag hisaab hota hai taake expire hone se 3 maah pehle alert mil jaye.

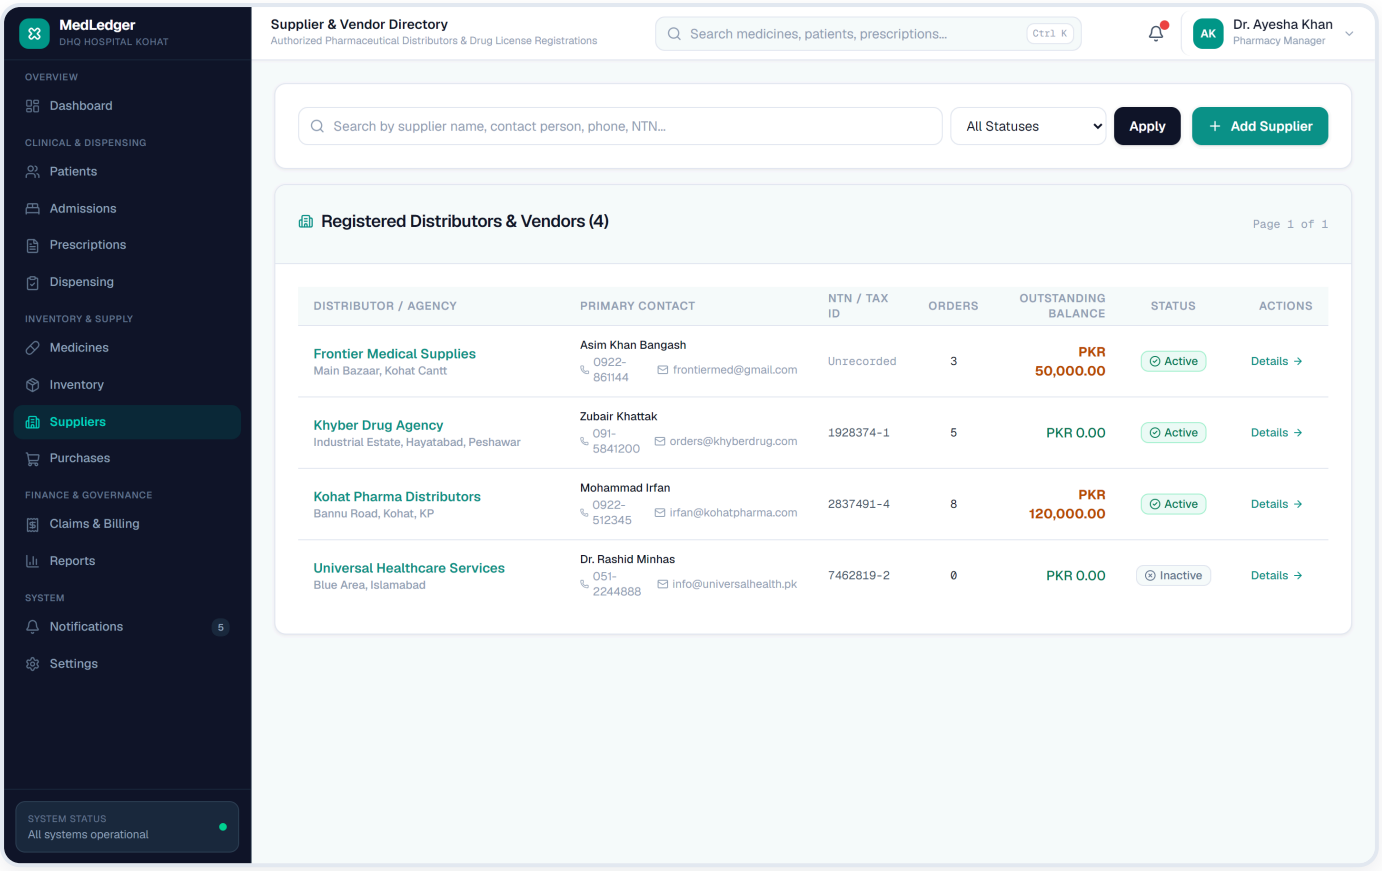

Stock Rang (Color)	Status Badge	Fauri Karne Wala Kaam
Sabz (Green)	IN STOCK	Stock 30 din ki zaroorat se zyada hai. Mamool ke mutabiq dispense karein.
Peela (Yellow)	REORDER LEVEL	Stock 20 units ya us se kam reh gaya hai. Foran supplier ko order bhejein.
Surkh (Red)	EXPIRING < 90 DAYS	Dawai jald expire hone wali hai. Isay high-volume OPD counter par shift karein taake khatam hojaye.

10. Suppliers & Dawai Ki Companies

VENDOR DIRECTORY

Approved Pharmaceutical Distributors Ka Record

Sirf un companies se dawai khareedi ja sakti hai jinke paas valid Drug Sale License ho.

🏢 Company Register Karte Waqt Zaroori Cheezein:

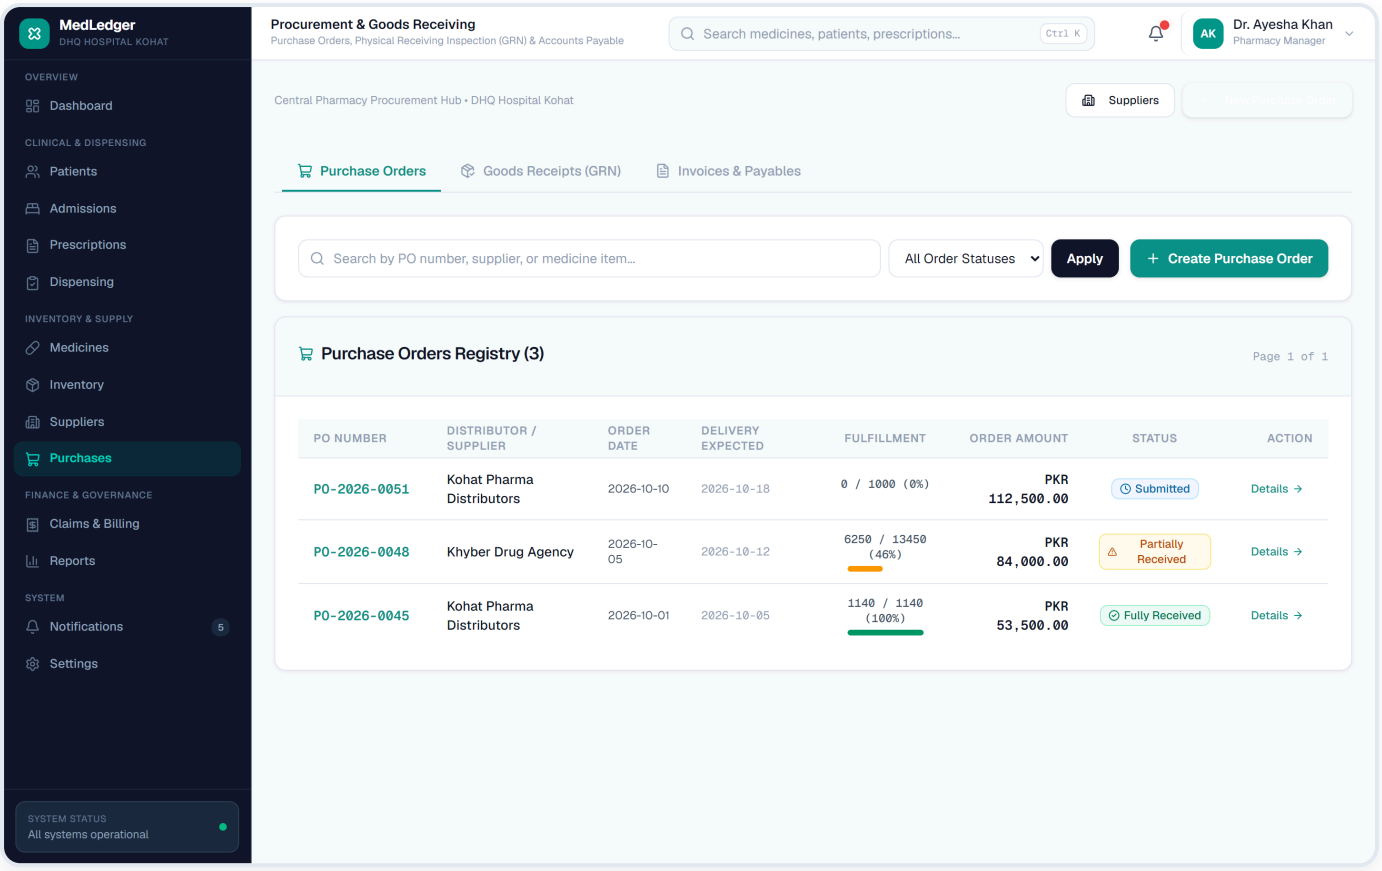

- **Drug Sale License (DSL)**: License number aur uski expiry date verify karein.
- **NTN & Sales Tax**: FBR withholding tax deduction ke liye NTN active hona lazmi hai.
- **Cold Chain Certificate**: Insulin aur vaccines ke liye cold chain gaadi ka certificate hona chahiye.

11. Nayi Dawai Khareedna (Purchases & GRN)

MAAL WASOOL KARNA

Purchase Order (PO) Aur Goods Receiving Note (GRN)

Order bhejne se le kar carton khol kar warehouse mein dakhil karne ka tareeqa.

📦 Nayi Delivery Wasool Karne Ka Tareeqa:

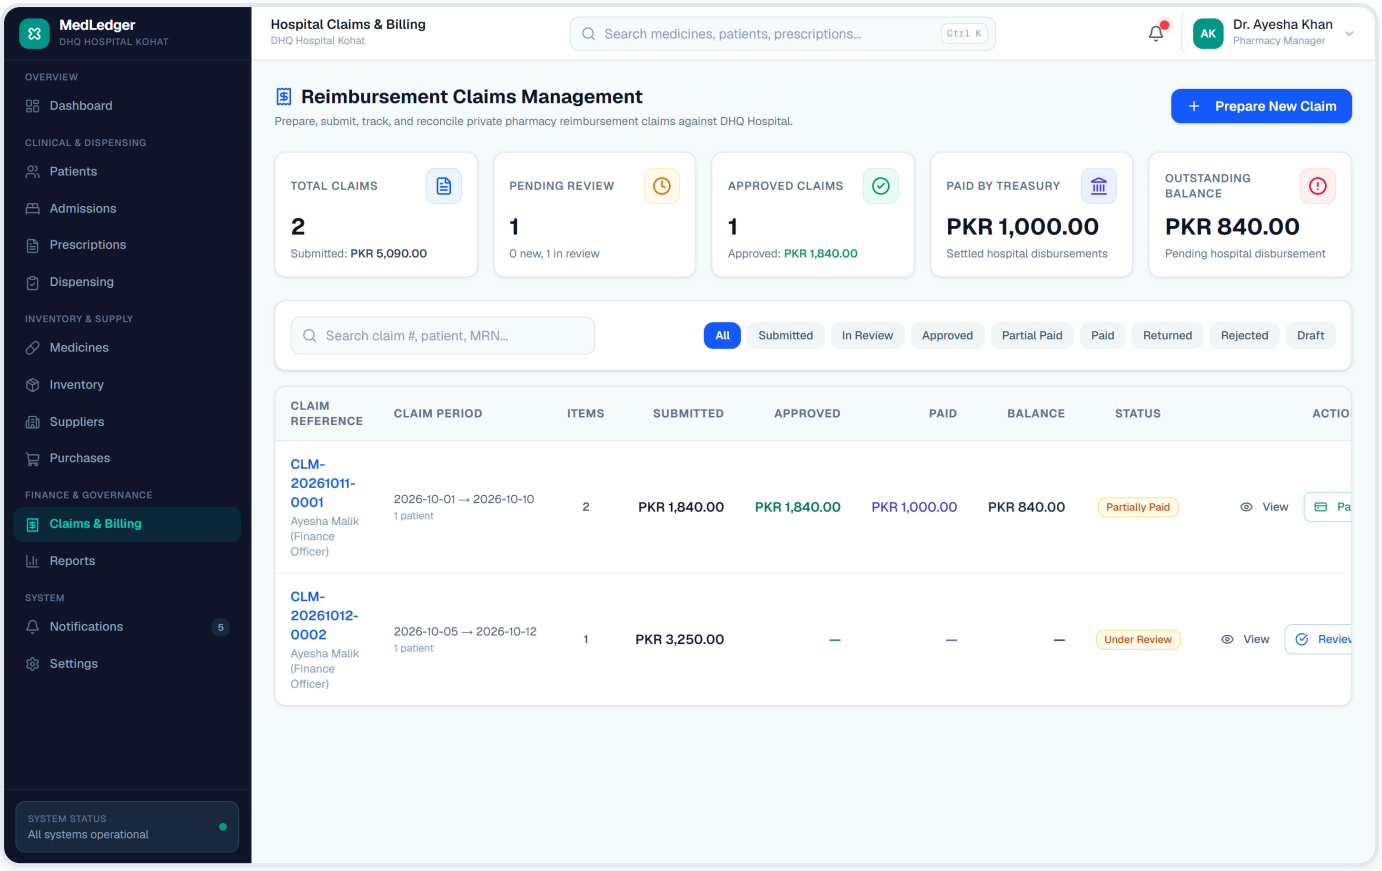

1. Supplier ki delivery aane par physical dabbe check karein (Seal, Batch Number, Expiry).
2. MedLedger mein **Purchases** khol kar mutalqa Purchase Order (PO) select karein.
3. **"Log Goods Receipt (GRN)"** click karein. Asal wasool shuda packs aur batch number darj karein.
4. Invoice qeemat verify karke submit karein. System stock mein dawai khud-bakhud barha dega.

12. Sehat Card Claims & Government Billing

BILA MUAWAZA ILAAJ

KP Sehat Sahulat Program Claims Management

Dispensary se di gayi dawaiyon ke paise hukumat se wapis lene ka automated claim system.

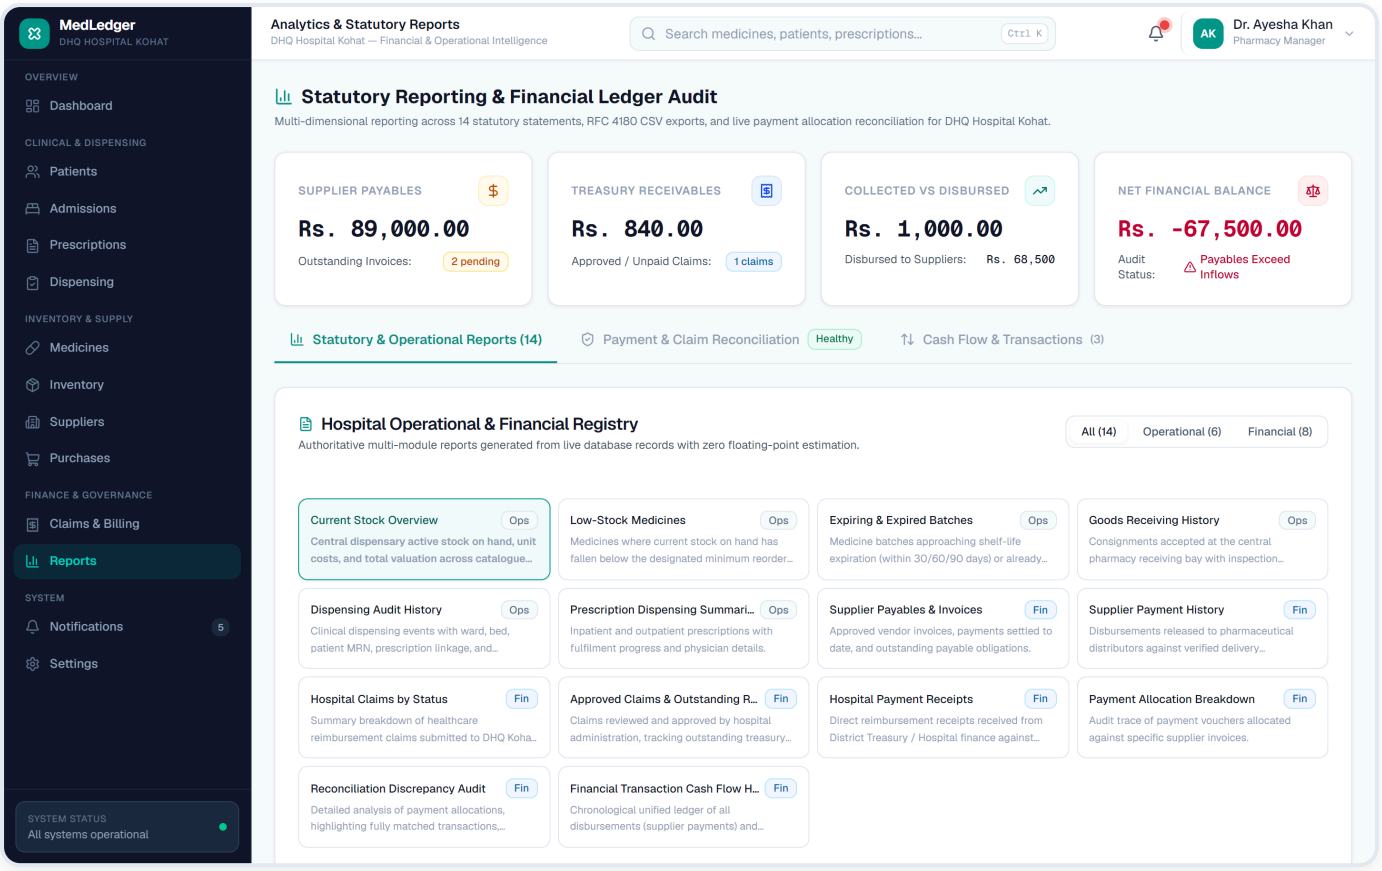

Claim Status	Badge Ka Rang	Iska Kya Matlab Hai Aur Kya Karna Hai?
Under Review	REVIEW MEIN	Dispensary se claim ban gaya hai. Hospital ka Claims Officer isay audit kar raha hai.
Submitted	SUBMITTED	Sehat Card portal ko bhej diya gaya hai. TPA panel iski manzoori dega.
Settled / Paid	PAID / ADA HO GAYA	Hukumat ne claim ke paise DHQ Hospital Kohat ke account mein transfer kar diye hain.
Rejected	REJECTED	Doctor ke nuskhe mein koi kami thi. Notes theek karke dobara submit karein.

13. Maliyati Reports & Stock Hisaab Kitaab

AUDIT & ACCOUNTS

Dispensary Ka Rozana Ka Hisaab Aur Stock Audit

Hospital audit, stock ke sarmaye ka jaiza aur Excel export ke zariye reports tayar karein.

📊 Ahem Reports Jo Yahan Se Milti Hain:

- **Daily Cash vs Sehat Card Summary**: Cash counter aur Sehat Card ka alag alag hisaab.
- **Stock Valuation Report**: Hospital ke warehouse mein kitne rupay ki dawai moojood hai.
- **Expiry Loss Prevention Audit**: Kon kon sa batch jald zaya ho sakta hai uski report.
- **CSV / Excel Download**: Health Department KPK ko bhejney ke liye 1 click par Excel file download karein.

14. Security SOPs & Rozana Shift Ka Tareeqa

ROZANA KA MAMOOL

DHQ Hospital Kohat Pharmacy Standard Operating Procedure

Subha, dopahar aur raat ki duty walay staff ke liye lazmi hidayat.

Shift Ka Waqt	Dispensary Ka Kaam	System Par Tasdeeq
Subha Duty (08:00 AM)	Apne user se login karein. Dashboard par Priority Alerts dekhein. Low stock items check karein.	Emergency cupboard ki dawaiyan MedLedger count ke sath match karein.
Dopahar Shift	OPD aur Ward prescriptions ko FEFO ke mutabiq dispense karein. Sehat Card CNIC match karein.	Bina CNIC check kiye Sehat Card par dawai dispense na karein.
Shaam Handover (04:00 PM)	Reports se shift cash summary print karein. Aglay pharmacist ko charge handover karein.	Check karein koi Sehat Card claim pending to nahi reh gaya.

🛡️ **Data Ki Hifazat Aur Transparency:**

- **Audit Trail**: Har dawai nikaalne, stock change karne aur claim bhejne par staff ka naam aur waqt record hota hai.
- **Integer Paisa Arithmetic**: Tamam hisaab paisa units mein hota hai taake audit mein aadhay paisay ka bhi farq na aye.
- **Row-Level Security (RLS)**: Mareezon ka medical data aur CNIC database mein fully encrypted hota hai.
